From the Healthcare Ministry - IT'S ALL ABOUT BALANCE. Balancing work, school, and personal life can be challenging, but it's important. Set clear boundaries by unplugging from work or school in your off time. Prioritize top tasks and get them out of the way first and make sure to plan vacations, relaxation time, and days off in advance. Spend time doing something fun and enjoyable outside of work or school every week. Let's keep in mind that August is National Immunization Awareness Month, ask your doctor to check your vaccine status and keep yourself current. **Be Yourself Everyone else is Taken.**
